

# WHAT YOU CAN AND CANNOT COMPOST HERE

**YES**

## Food scraps

Including veggies, fruits, citrus, egg shells, and coffee grounds.

## Paper

Packaging and coffee filters count too, just nothing with tape, adhesive, wax, or plastic.

## Wooden + bamboo cutlery

## Leaves

But NOT from black walnut trees or diseased plants.

## BEST PRACTICES

Chop up your food scraps before composting

Remove plastic stickers from all fruits and veggies

Shred compostable paper and packaging

If possible, do not use compostable plastic bags

**NO**

## NO plastic of any kind

NO fruit stickers, produce ties, receipts, plastic-y packaging, or compostable plastics.

## NO animal products

Including meat, fish, shellfish, bones, dairy products, and whole eggs.

## NO grease, fats, or oils

## NO pet or human manure
